

CHARTER OF GOOD CONDUCT

INTERCAMPUS EXCHANGES

The aim of this charter is for exchanges between students to operate smoothly. However, it is everyone's responsibility to make the exchange a success. The rules listed below are by no means exhaustive.

Item 1

Before the exchange takes place, both parties will decide on the dates and length of the stay. These are subject to modification during the stay, provided both parties agree. The host may not shorten his guest's stay unless a serious problem occurs. The organizing team must be warned as soon as possible if there are any changes.

Item 2

I will abide by the housing regulations preestablished in harmony with my exchange partner and the Intercampus club. These regulations are those on the information sheet.

Item 3

I declare that the information I have provided on the information sheet is accurate.

Item 4

If a problem occurs, I will warn the organizing team.
